

Until Now is an American Rock band that formed from a group of lifelong friends in 2015. With their outbreak of live shows, distinctive sound, and aesthetic songwriting, the band has rapidly become one of the most exciting new acts on the scene in the past few years.

Drawing their inspiration from a wide array of influences ranging from Classic Rock to Reggae, the band delivers a chic sound loaded with propulsive guitar riffs, peculiar vocals, and ascending Melodies.

With the bands tightness both on and off the stage, their dynamic stage presence has earned them a reputation as one of the most thrilling live bands in the game.

With having released their first 7-song EP "IntroVerse" on January 1, 2023, Until Now has established themselves as one of the most promising new bands around. Catch them at a festival, private party, bar or concert venue and experience the energy and passion of an Until Now show for yourself.
